IRISH LAD TO TRY IN AMERICAN DERBY

Winner of the Brooklyn to Be Sent West for Blue Riband of the Turf.

HE SHOULD WIN IT EASILY.

Mr. Whitney's Colt Far Outclasses All Eastern and Western Colts -Frank O'Neill Rough-Rode Tommy Burns.

They say back East that Harry Payne hitney will send Irish Lad to Chicago for the American Derby. If he does the colt will be hard to beat. Any 3-year-old that can take up 103 pounds and win over tha Brooklyn turns in 2:05 2-5, giving the best rses in training weight in May, should do well against horses of his own age in Chi-

say now that the Lad is the best 2-year-old ever seen in the East and flout Conroy's mud victory over all ages in the ooklyn as compared with that of Irish

Morello won the Wheeler, beating Yo Tambian and Maid Marian, mares of the Gunfire class. He ran in faster time than ish Lad, but did not make his own pace, or was the field so big. The Washington ark track is faster than Gravesend then id is so now and Morello won handlly. ROGERS WANTED THE DERBY.

ROGERS WANTED THE DERBY.

ohn Rogers always wanted to win the.
rby with his own horses. He had a
ood colt. Derian, in 1894, and was disappointed when he did not win it. Irish Lad
beat a much better field than Conrey did.
The Western 3-year-olds are not a strong
lot. Claude is about the best. No one can
imagine the son of Lissak holding Gunfire
as Irish Lad did. The next best Eastern 3year-old to Irish Lad is Short Hose, the
Atheling colt, who is not within twenty
pounds of the Brooklyn winner.
Rogers says that Irish Lad was short in
the Brooklyn. It was his tirst start, and he
would have won away off had he been
ready. That sounds well for his Derby
chances. As for weight, he proved he could
carry it as a 2-year-old.

LONG PRICE AGAINST THE LAD.

Ty it as a 2-year-old. LONG PRICE AGAINST THE LAD.

The Lad was 40, 20 and 10 in the last issue of the future-book prices. He is probably 1, 2 and 1 now. Some bets were made on him at 60, 30 and 15. He looked like the best colt in the race ever since last spring, but the chances were against his being sent West. Now that he is coming, his price will

O'NEILL ROUGH-RODE BURNS. Eastern turf writers are making a hero of Frankle O'Neill, not so much because he won the Brooklyn, but because he "out-rough-rode" the premier rough rider—Tommy Burns.

Burns has for six years, ever since he came to the Fair Grounds in 1896, been noted as a rough rider, especially of small and weak boys. They say that O'Neill fairly made him stop riding in the finish of the Brooklyn and that Burns had an awful kick coming in the lockey-room until O'Neill

Brooklyn and that Burns had an awful kick coming in the jockey-room, until O'Neill asked him if he wanted to settle it with a fist fight right then.

The turf writers admit that O'Neill rough-rode Burns and glory in his spunk. All the Eastern critics agree in saying that O'Neill's tremendous ride and terrific finish won the race for Irish Lad and that his judgment in letting the colt make his own pace, when the first half was run in 150½, was excellent.

rides a horse.

There is a promising lad in St. Louis who is being much injured by being allowed to whip—Wilson. He rides well until he attempts to change hands. Then he is done. Wilson is a boy who sits close and is very light, but he is losing his hands every day. In the old days they always counted the spur a greater incentive than the whip-first-class saddle horsemen, cavairymen and others will not ride without spurs. They deem them indispensable to the guidance, control and management of the horse, and they never dream of using the whip.

MALSTER LOOKS LIKE A WINNER. Mr. Gay's Horse Should Win Fourth

Race Without Trouble - Alice Turner in Sixth. The rail birds around the Fair Grounds say that Early Regent and Incidental are ing sons of swallows. Both are in the event to-day. Barring Mistie and

Kitty-Cut-A-Dash, there is nothing in the race much. Shot Proof has speed, but not of much account save in mud. On performance the one that should win is Miss Katherine-Cut-a-Dash at the weights and taking her ability as a post mare into consideration. But Broodler is a tried and proven good mudder. HAYES'S ENTRY IN THE SECOND.

Mr. Hayes starts two in the second. Mr. Hayes is too good a horseman to bring ones bad enough to lose to this lot to the race. Mr. Myrtle is not much, but Athena is too sweetly named to be a bad one. She has done some fast trials and should win. Witchcraft is too well bred not to be good. Her race in the mud was fair, too. Have an eye on her. Hoedown showed speed last time and Mr. Huffman must win a race some time. Ann Dear ran out at the stretch head each time when she was winning—she will do nicely to-day.

CRIME AT THE WEIGHT.

clever Mr. Filppen must win with Crime in the third race. She was off badly rfered with and yet ran a great race las time out. They bear of the bowlders, Georg

start here. They are scarce paying \$10 to work him. Between Crime and Bishop the race ites. Bishop is a nice looker and a much better horse than he has shown so far. HILEE'S SPEED.

In mud there is but one horse in the fourth race-Malster. They say that Mr. Ryan, a shrewd fellow, had Kindred good and fit. If Bolster is good all the Kin-

dreds in the world cannot beat him
YOUNG FOR THE FIFTH EVENT.
Deutschland will win the fifth event if he goes to the post. Pirateer is the one he has got to beat. Deutschland is sure to be third. They say Slater Lilian is a running rascal. She has a nice pull in the weights and may do well. POURQUOI PAS HAS BEEN SICK.

Pourquoi Pas won a stake at Latonia when, it is said, she was sick and had a fever of 104, broken plates, no toes and in need of a bath. She may be good enough to win to-day at the weights. If she is good she will win. Alice Turner showed inclinations of coming to her form by the way she ran last time out. Oudenarde belongs in the third race, not in here. Mynheer is said to have gone back and not to be anywhere near the horse he once was. Taby Tosa probably needs a race. Alice Turner, Gates and Pourquol Pas are the contenders.

CLUB MEMBERS' AND THE DERBY. Two Big Stakes Will Be Decided at

The two most important stakes of the Fair Association's spring meeting-Club Members' Handicap and St. Louis Derbywill be decided within the next two weeks. The Club Members' Handleap is down for decision next Saturday. The Derby will be run the following Saturday. The weights for the Club Members' Handicap were announced last week.

Horsemen express themselves as being

Horsemen express themselves as being thoroughly satisfied with the allotment, which means a large starting field. The stake will be worth in the neighborhood of \$3.000 to the winner. The distance is one and one-quarter mile.

The result of the Club Members' Handlcap is expected to furnish a reliable forecast on the outcome of the St. Louis Derby, inasmuch as several of the most prominent candidates for the Derby are to measure strides in the handicap.

Hugh R. Baker has been glving Jack Young a special preparation for both stakes. Jack Young is considered the best coit of age shown here this spring. The 3-year-old championship of the Fair Grounds will be settled when Jack Young and Monsieur Beaucaire meet and settle the question of supremacy.

Both these coits are owned in St. Louis. Monsieur Beaucaire is the property of W. W. Darden. As actual performances go he is a better coit than Jack Young, having defeated Judge Himes in the Blue Grass Stakes at Louisville this spring.

Jack Young is owned by Grover Cleveland Baker, son of the veteran trainer, Colonel Hugh R. Baker, who trains the coit, Colonel Baker is one of the best-known horsemen in America. He trained for Ed Corrigan, Barney Schreiber and the late C. C. Maffitt before branching out for himself. Both Jack Young and Monsieur Beaucaire are in both the Club Members' Handicap and St. Louis Derby.

Another St. Louis Derby candidate that

figures to have a royal chance in the Club Members' Handicap is Fred Cook's crack Members' Handicap is Fred Cook's crack
Lindon colt, Lendin. This horse ran several
clinking good races at Louisville this spring
and with the exception of Linguist is the
best 3-year-oid in the Cook stable.
Linguist is also in the Club Members'
Handicap. He ought to take considerable
beating in the Club Members' Handicap.
Linguist, the star 3-year-oid of the Cook
stable, is also in the Club Members' Handicap,
but is not eligible to start in the
Derby.

Derby.

Cook expects to win the American Derby with Linguist. Cook is expected to start both Lendin and Linguist in the Club Members' Handicap. Eddie Dominick is expected down from Chicago to pilot Linguist in the Club Members' Handicap.

George C. Bennett's crack 3-year-old, Au Revoir, is also eligible to start in both the The turf writers admit that O'Neill roughrode Burns and glory in his spunk. All the
Eastern critics agree in saying that
O'Neill's tremendous ride and terrific finish
won the race for Irish Lad and that this
judgment in letting the colt make his own
pace, when the first half was run in :50½,
was excellent.

THE USE OF THE WHIP.

Burns claimed that had Rogers, who
trained both Gunfire and Irish Lad, allowed
him to use a whip he would have won. He
doubtless felt that had he hit Gunfire—he
was outside—she would have swerved into
Irish Lad and impeded him. This draws attention to the fact that first-class trainslike Rogers do not allow first-class riders
like Burns to use a whip.

This is a hint for the 'steenth-class trainers and riders of the West, The whip has
been practically abandoned in the East. In
the West they give it to every boy that
rides a horse.

There is a promising lad in St. Louis who Club Members' Handicap and St. Louis

of the treasure of the crack 3-year-old filly ey Club.

Hildreth also has the crack 3-year-old filly Witfull in the Club Members' Handicap, but the filly is still on the shelf. She broke her jaw at Memphis last spring. Charlie Mahone's good colt Banter, winner of the Kinloch Derby, is not in the St. Louis Derby. Banter is now at Chicago.

Barney Schreiber, who won the St. Louis Derby last year with Otis, will give his crack colt Sigmund a special preparation for this year's St. Louis Derby. Deutschland and Lacey Crawford, two more of Schreiber's crack 3-year-olds, are also in the stake, but neither appears to have a chance. Deutschland is nothing but a sprinter, while Lacey Crawford has been on the sick list all spring.

Lacey Crawford's sickness has been a severe disappointment to the master of Woodlands.

Washington, May 51.—Representatives Hemenway, Sherman and Tawney, three prominent Republicans of the House, are in Washington, attending to department husiness.

Representative Hull of lowa also came in for a short visit, He claims that the factional differences, growing out of the tariff question, have been settled by the lowa Republicans, and that a platform had been arranged for the State Convention, upon which both factions could stand.

The most interesting development of the visit of these Republican Paders was the statement of one of them that a conference is to be held in Chicago later in the summer, to be attended by the leading Republicans, and presided over by Speaker-Prospective Camon.

At that meeting the organization of the next House is to be planned, and probably the principal chairmanships will be decided upon. Congress, according to the declared into extra session November 2.
